

Interact @ UKREiif 2024

Our Programme

As a not-for-profit networking organisation, we have been promoting interaction in the property and construction industry for over forty years.

As the property industry descends on Leeds in May for the upcoming UKREiif event, it provides a fantastic opportunity for Interact Members from across the country to connect and benefit from an established network of over 400 senior property professionals.

I am therefore delighted to be sharing a programme of events and activities the National Committee and Interact Leeds Branch have pulled together to support this. Please do get involved.

We will also be holding the Interact National AGM at the Queens Hotel in Leeds Thursday 23rd May, Day Three of the event prior to the planned Business Lunch at the same venue.

After 2 years of being at the helm of Interact, I will be handing over the reigns to Vice President and Leeds Branch member Graham Place at the AGM. I have no doubt Graham will be an excellent President, he has supported the organisation for many years through time on the National Committee and as a Leeds Branch Chair.

All Branch Chairs or their representatives are welcome and encouraged to attend the AGM.

● Interact Branches

Established in Nottingham in 1977, we provide a forum for like-minded, senior property professionals to share knowledge, ideas, and opportunities. At our heart is making connections and establishing valuable long-standing relationships across the industry.

We have a National Committee which oversees and supports the functioning of individual branches nationwide. The expansion of the branch network offers members a sought-after 'local focus with a national opportunity.'

Each branch has its own Chair. Members at each branch are a mixture of senior roles within the construction and property industries, such as clients, contractors, developers, architects, engineers, and planning consultants.

EXHIBIT

Interact @ UKREiif 2024

Take the Stand with Interact

Interact National has secured a 'Street Stand' for the duration of UKREiif 2024 and is offering Interact Members an opportunity to sponsor the stand and benefit from a cost effective way to exhibit and raise their profile at this important property event through one of the packages offered opposite.

A professional photographer will be on hand to capture event highlights and provide imagery for sponsor use.

All members are welcome to use the stand as a meet up point throughout the event and are invited to Drinks with Interact at the stand at 4.00 pm on Tuesday 21st May.
